Hi,

I'd like to introduce you to **Nicole Wade, Michelle Hewitt and Danielle Latta** who are the team members of Car **33 'Steampunk, Bad Land Girls'** in the Hay Rust n Dust Outback Rally 2022.

Please give me a minute of your time to explain a little about our Rally.

A basic history of our Rally is below.

In December 2016 we had a small car rally (Crichton's Sh&*%box Rally) with 6 cars. Initially this was to be Jasen's (Crichton's CEO) end of the year thanks to his workers, but after the local CanAssist branch was robbed it was decided to make it into a fundraiser for the branch. Sponsorship rights, sponsorship stickers, raffle tickets etc. were sold and an amazing \$30+K was raised just over a month for the local CanAssist.

The 1st year was so much fun, and there was so much interest in the Rally that it was agreed to make it an annual event, 2022 marks its 7th year. Over the past 7 years we have raised almost \$600,000, donated in full to regional health organizations, helping people in Rural Australia. Last year we gave much needed funds to CanAssist, Angel Flight, Cancer Council – Western Division and Hay Community Health Trust totaling almost \$162,000.

The link below is a short video about our rally.

<https://www.facebook.com/kiwikenton/videos/10154744600937757/>

With the success of the previous years, this has now become an annual event starting this year on the 28th October 2022

This year we have approximately 50 starters in the Rally.

You can see more about our event at our facebook page

<https://www.facebook.com/hayrustndustoutbackrally/>

This year we will again be raising much needed funds to Can Assist, Angel Flight, Cancer Research- Western Division and Hay Community Health Trust.

The 2022 Rally will cover approximately 2,000 kms on dusty and rugged roads.

All cars will gather for Scrutineering on Thursday 27th October 2022. This is where the general public can view the cars, and our “scrutineering” team will go over the cars checking that they have all the pre-requirements.

The following morning, 28th October, the cars will leave Hay and won't return until the afternoon / evening of Monday the 31st 2022.

The teams will be camping out under the stars of the outback most nights, as accommodation is limited.

We have a few rules!

- Cars can't be valued at more than \$1000.00
- Each car must raise a minimum of \$1,500 in sponsorship to start. But the more they raise the more we can help those in need.
- If we find that we must abandon the Rally this year due to COVID restrictions, all sponsorship will be carried through to the 2023 Rally, kick starting the fundraising pool for 2023.
- All expenses for the Rally are bore by each Car's team members. For example, fuel, accommodation, meals etc. This means ALL money raised will be given to our nominated charities, none is kept for expenses (or admin).

If you would like to support **Nicole, Michelle & Danielle** in this adventure, you can either give them your sponsorship in person or direct deposit it to:

Hay Rust n Dust Outback Rally
BSB: 633 000

Bendigo Bank – Hay
Acc No: 163 349 616

If you will be doing a direct deposit, please use **Car33 & your name** as a reference. This will enable your sponsorship to be applied to their car tally and your name will let them know who is supporting them.

If you require any further information, please drop me a line or give me a call.

Happy Rallying, Leah
